Paper No. 19

In re Application of :  
Hirofumi Honda :  
Application No. 09/262,595 : **DECISION ON PETITION**  
Filed: March 5, 1999 :  
Attorney Docket No. 107156-09007 :

This is a decision on the renewed petition under the unintentional provisions of 37 CFR 1.137(b), filed August 15, 2008, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

This application became abandoned for failure to timely pay the issue fee and to submit corrected formal drawings on or before March 4, 2002, as required by the Notice of Allowance and Fee(s) Due and the Notice of Allowability, mailed December 3, 2001. Accordingly, the date of abandonment of this application is March 5, 2002. The Notice of Abandonment was mailed May 2, 2002.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (1).

The Notice of Allowability required that corrected drawings be filed along with payment of the issue fee. The drawings have not been received.

Further correspondence with respect to this matter should be addressed as follows:
